MEMORANDUM NO. 2009-001

TO: School District Superintendents

FROM: Shadd Schutte, WISE Project Manager *SAS*
Meredith Bickell, Technical Services Supervisor
Technology, Careers & Data Unit *MB*

DATE: January 9, 2009

SUBJECT: Wyoming Integrated Statewide Education (WISE) Data System
Horizontal SIF agent expansion

IMPORTANT INFORMATION

The Wyoming Department of Education (WDE) in conjunction with ESP Solutions Group and Edustructures is pleased to announce the addition of Renaissance Place to the list of WDE provided SIF agents. The WDE has been offering Versatrans, NutriKids, Follett, Active Directory, and the agent for vertical reporting via the State Report Manager (SRM).

If your district has already proceeded with this installation please contact Shadd Schutte, WDE Project Manager, and he will assist you through the process of the Department assuming the responsibility for the maintenance of this agent.

If your district has not installed this agent and would like to take advantage of this opportunity please coordinate your efforts with Jennifer Yauch, Renaissance Learning, or Shadd.
